Acceptance of SWVBRC Directors

I have been chosen and elected to serve as a board member of SWVBRC.

The purpose of the board is to meet the below standards

• Influence at least 24 total registrations per year. Visit our online community to determine the end of the year registrations.

• Raise at least $500 in funds throughout the year, directly or indirectly.

• Bring in at least one business sponsor. Any business level noted online qualifies.

My extensive experience will be a great addition to the current composition of the board. I look forward to new ideas and new solutions to old problems.

I am the voice of my constituency and I will bring their concerns to this board and in turn carry the message back to them.

I will be vigilant in keeping and building the spirit of unity and cooperation with the other board members in the board's primary role of empowering the community to best learn and serve the American Veteran.

I accept my position and role as a board member of the SWVBRC.
