**Subject:** Invitation: Google Hangout March 14th

Good evening,

The Department of Veterans Affairs (VA), in collaboration with the Department of Health and Human Services (HHS) and our community partners, is hosting a [Google+ Hangout and information session](#) to ensure uninsured Veterans, uninsured Veteran family members and care givers, have information about healthcare options and the Affordable Care Act (ACA). As a member or representative of one our valued VSOs or NGOs, you are invited to join us for the Hangout on **Friday, March 14, 2014 at 12:00 noon EST**. VA leadership will provide opening remarks, which will be followed by an informational presentation and Q&A by ACA subject matter experts.

All together, the Hangout should last about 30 minutes, and will be a great way to foster communications in order to better serve our Veterans and their family members. **If you have any specific questions you would like to see addressed during the Hangout, please send them to [newmedia@va.gov](mailto:newmedia@va.gov).**

Thank you for all that you do each and every day to serve Veterans and their families. We look forward to your participation in our Hangout on March 14!
