Living under Sequestration at Seymour Johnson
The Machinolog Poet norfilled airmen at Seymour Johnson AFB, N.C., looking at what life is like for them at the base now that but rise manageur has protest amme at symmur. Johnson AFB, NC, looking at what like is like for them at the base now that budget sequestration is striking in end one of the base's squadrons in off lying. The newspaper tabled to plots, maintainers, and other base officials about the F-15Es of the 336th Fighter Squadron that have not taken to be skies since April 9. The lack of flying time is wearing on the unit's crews, according to the newspaper's lakey 27 tagost. Plots now train regularly on the advanced simulations at the base, but the experience is limited. The smell, the field, the heat, the fligging everything' is different, said Capt. Kevin Murphy, one of the squadron's plots. "You don't fly or a morth, it's budget to even start the engine again," he added. The squadron's standown is affecting qualifications and readdress rates—and fighter crew certifications will impact tollow-on assignments, according to the newspaper. While the 336th FS is not flying, the bases to vot training squadrons and other F-15E controll-coded unit, the 335th FS, still are.

Kirksey Selected as AFRC's New Command Chief

Kirksey Selected as AFRC's New Command Chief
Leg. Lames Jacksop, head of A Froce Reserve Command selected <u>CMSqt. Cameron Kirksey</u> to be AFRC's next command chief, according to a release from the organization. Kirksey has been serving as command chief of AFRC's
482xH Fighter Wing at Homestead ARB, Ria, since, June 2011. He will replace CMSqt. Kathlere Buckner, who resigned in Agrid for personal reasons, according to press reports. She had held the post since December 2011. *I look forward to
being the eyes, ears, and voice of our entitated ranks to General Jackson, and I want every airman who is a part [of] AFRC to know that I am extremely honored to serve them as their senior entisted leader,* said Kirksey, in AFRC's May 23
release. A native of Silas, Aia, he entisted in the Air Force Reserve in Match 1998. His bacaground is in the logistics caser field, specializing in their samplement. (Robins agout by SSgt. Havey Statebolf)
